What are RAM Reports?

RAM Reports deliver financial information via an enhanced reporting tool and offer a more robust experience managing sponsored projects financials. The information in RAM Reports is pulled just as Infoporte, directly from ConnectCarolina and RAMSeS

Highlights of RAM Reports:

- Provide intuitive navigation and ease of searching,
- Easy to view and read report formats,
- Access to both project and award financials,
- Ability to drill into detailed expense transactions, and
- All reports are downloadable to Excel

Recent Enhancements

- My Resource Page
 - PIs and Business Managers
- “Clear” button added to search page
- Monthly snapshots
- Bundle option for monthly reports
- Longer retention/access to documentation
